Terms and Conditions for an Additional „N26 Mastercard“

(Version 2.0, Date: 26.06.2026)

1. Scope of application

The object of the business relationship between N26 Bank SE (subsequently "**N26**", "**N26 Bank**" or "**credit institution**") and the customer is either

- a. the initial issue of a physical N26 Mastercard debit card ("**Additional Physical Card**") in addition to an already existing digital N26 Mastercard debit card; or
- b. the issue of an additional digital N26 Mastercard debit card ("**Additional Digital Card**"); or
- c. the issue of further physical N26 Mastercard debit cards ("**Further Physical Extra Card**"). Each Further Physical Extra Card is issued as an N26 World Mastercard for retail customers and as an N26 World Elite Business Mastercard for business customers. These Further Physical Extra Cards are issued to customers who already hold a physical N26 Mastercard ("**Original Card**").

The Additional Physical Card, the Additional Digital Card and the Further Physical Extra Card are merely extra cards (secondary cards) and not partner cards. They are intended exclusively for use by the authorized Account Owner and may not be transferred to third parties – even temporarily.

2. Application and Eligibility

2.1 General Requirements

The right to submit a card application for the issue of an Additional Physical Card, an Additional Digital Card or a Further Physical Extra Card (World Mastercard or World Elite Business Mastercard) is exclusive to N26 Customers with a N26 Current Account ("**Account Owner**").

N26 Bank may refuse at its own discretion to give the necessary approval and is under no obligation to accept such an application. N26 Bank does not need to provide reasons to the Account Owner.

2.2 Eligibility of N26 Standard Account Customers

N26 Standard customers who already have a digital N26 Mastercard debit card are entitled to apply for an Additional Physical Card, further physical cards, as well as up to five additional digital cards. The current version of the Price List and Services applies.

An N26 Standard customer can have a maximum of five physical N26 Mastercard debit cards and six digital N26 Mastercard debit cards.

2.3 Eligibility of N26 Premium Members¹

Notwithstanding the aforementioned rights in Sec. 2.2, N26 Premium Members have the subsequent additional rights.

2.3.1 Further Physical Extra Card

N26 Premium Members are eligible to apply for the issue of Further Physical Extra Cards. Depending on the customer's respective Premium Membership, these extra cards are either a World Mastercard debit card (for retail customers) or a World Elite Business Mastercard (for business customers). The issuance of an additional physical N26 Metal card as an extra card, as well as applying for further cards exceeding the limits specified in Section 2.3.3, is excluded. The customer can choose between different colored versions of the Further Physical Extra Card.

2.3.2 Additional Digital Card

N26 Premium Members can request Additional Digital Cards in addition to the physical N26 Mastercard debit card and in addition to Further Physical Extra Cards. In this respect, reference is made to Sec. 9 of these Terms & Conditions. The digital card type to be obtained depends on the Premium Membership of the N26 Premium Member.

2.3.3 Limitations

N26 Premium Members can hold a maximum of five physical N26 Mastercard debit cards (consisting of Original Cards and extra cards) and six digital N26 Mastercard debit cards.

2.4 Application Process

The application can be made via the N26 Mobile App or the N26 Web App.

3. Conclusion of contract

The conclusion of the contract for the Additional Digital Card, the Additional Physical Card and/or the Further Physical Extra Card is based on Sec. 1 of the *Terms and Conditions for „N26 Mastercard“ from N26 Bank SE for Private and Business Mastercard Debit Cards*.

In the case of an Additional Physical Card and/or the Further Physical Extra Card, embossing like other credit cards may not take place under certain circumstances. This decision rests with N26 Bank.

4. Additional services for N26 World Mastercard

The additional services as described in Nr. 27 and 28 of the N26 Mastercard-T&C also apply for the Further Physical Extra Card, if the Extra Card fulfils the conditions laid down therein. The further additional services of the N26 Go or N26 Metal membership, such as insurance or emergency call service, are already subject to the insurance conditions of the Allianz Global Assistance Europe Insurance Policy (**“AIP”**) and remain unaffected by these terms and conditions.

In particular, the account holder may only use the additional services provided by Allianz Global Assistance Europe once. In addition, the use of the extra card corresponds to the card requirement laid down in § 4 of the AIP.

¹ Within the meaning of Sec. 7.11 of the *General Terms and Conditions “N26 Current Account”* of N26 Bank SE.

5. Costs

The costs for the issue, delivery and replacement as well as other services connected with the Additional Physical Card, the Additional Digital Card and the Further Physical Extra Card are specified in the N26 Bank's *List of Prices and Services*, as amended from time to time and accessible at N26 Bank's homepage.

6. Non-transferability of the Additional Card

The Additional Digital Card, the Additional Physical Card, and/or the Further Physical Extra Card are merely extra cards and not partner cards. They are intended exclusively for use by the authorized Account Owner and are therefore non-transferable. They may not be entrusted to any third party – not even temporarily.

7. End of N26 Premium Membership

In the event of a termination of a N26 Premium Membership (e.g. expiration, cancellation or end of term) N26 Bank reserves the right to block the Additional Digital Card, the Additional Physical Card and/or the Further Physical Extra Card and obliges the customer to return any extra card. This does not apply to a downgrade from N26 Metal/Go to N26 Go/Smart or from N26 Business Metal/Go to N26 Business Go/Smart.

8. Partial ineffectiveness

Should any one of the present provisions of these conditions be ineffective, annulled, or declared invalid or null and void, the legal validity of the other conditions shall remain unaffected.

9. Applicable Terms & Conditions

Unless otherwise agreed upon in these Terms and Conditions, the following shall apply (directly or appropriately) to the issue and use of the Additional Digital Card, the Additional Physical Card as well as the Further Physical Extra Card

- Terms and Conditions "N26 Current Account";
- Terms and Conditions for „N26 Mastercard“ from N26 Bank SE for Private and Business Mastercard Debit Cards;
